

# Half Moon

Janis Joplin

Half moon, night time sky  
Seven stars, heaven's eyes  
Seven songs on seven seas  
Just to bring all your sweet love home to meHey, honey fill me like the mountains  
Yeah, yeah, yeah, yeah  
You fill me like the sea, Lord  
Not coming past but still at last  
Your love brings life to me  
Your love brings life to me, hey!Rings of cloud, your arms aflame  
Wings rise up to call your name  
Sun rise high, Lord, it burns the ground  
Just to tell about the first good man I foundYeah, honey fill me like the mountains  
Yeah, yeah, yeah, yeah  
You fill me like the sea, Lord  
And not coming past but still at last  
Your love brings life to me  
Your love brings life to me  
Oh oh oh oh oh oh yeah!Half moon on night time sky  
Seven stars, heaven's eyes  
Seven songs on seven seas  
Just to bring all your sweet love home to meHey darling, now fill me like the mountains  
Yeah, yeah, yeah, yeah  
And fill me like the sea, Lord  
Not coming past honey still at last  
Lord, you fill me like the mountains  
Yeah, yeah, yeah, yeah, yeah  
Fill me like the sea, Lord  
And not coming past but still at lastHey! Fill me like the mountains  
Yeah, yeah, yeah, yeah  
Fill me like the sea, oh Lord  
You said not coming past, honey, still at last  
Your love brings life to me  
Your love brings life to me  
Your love la la la la la, laLord! Won't you bring life to me?  
I said you're gonna ride around  
When I'm on a little home babe  
Bring it on home, you bring it on home  
Bring it on home, bring it on home  
I said your love brings life to me, yeah
