Honor Roll

CyHi The Prynce

(Verse)
I keep a circle like a roller rink
I'm a kush addict, im a doja fein
I got partners in the pen and some niggas in the gutter
Guess you can say I'm bowling green
But I ain't from Kentucky
Got a big booty chick with a frame like Buffy
Getting brain like a skully
My bitch roll up everytime we finish fucking,
'Cause she's trained like a puppy
I couldn't give a damn about a lame nigga trust me
Haters talk shit but they better not touch me
RIP to the homie M-bone
Nowadays niggaz can't even do the dougie
Without a hater trying to leave you bloody
While you smoking Mary Jane with your buddies
So I keep a Smith like my first it was Lovey
'Cause they wanna ride on me like the frame on a huffy
So i smoke weed just to ease my mind
But it's hard to complain when your're G5 blind
This is for the potheads who be 35 buying
Gettin so high you can see Mount Zion
Where I'm from I'm E lot of Eastside Giant
'Cause I won the championship for the best blunt roller at least 5 times
(Hook)
First I split the blunt
Then I dump the guts
I ask the person standing next to me
To hold my cup,while I'm rolling up
Rolling up,rolling up
Security on my neck,but I don't give a fuck
I can't believe they tried to throw a nigga out the club,
Just for rolling up,rolling up
(Verse)
I'm out here tryin' to stay alive
Rolling 'til the day I die
Smoking on a Juicy J, pulled up bumping Playa Fly
We driving all the fastest whips
And I gotta half a zip

Riding with my gansta boo she
Open like a bag of chips
She's so fine she don't have to strip
Grab a stack I have to tip
After that I had her back
At the bachelor pad with a sack of piff
A trapper's gift ,the sexy hoe with the ass and hips.
Who come over to smoke a blunt
And let a nigga smash and dip
(Hook)
First I split the blunt
Then I dump the guts
I ask the person standing next to me
To hold my cup,while I'm rolling up
Rolling up,rolling up
Security on my neck,but I don't give a fuck
I can't believe they tried to throw a nigga out the club,
Just for rolling up,rolling up
(Outro)
Yeah,hoe,
Yeah,hoe,
Yeah,hoe,
Yeah,hoe,
Yeah,hoe,
Yeah,hoe,
Yeah,hoe,
Yeah,Yeah,
Yeah,hoe
