

Life Will Be Sweeter Someday

Ernie Haase & Signature Sound

Life Will Be Sweeter Someday
Jesus said I believe Him
Life will be sweeter someday
I'm gonna trust Him
Never doubt Him
No matter what the folks may say
Can't turn away from Him lightly
Because the joys of Heaven I'll miss
For I will live on up in Glory after awhile
After awhileDon't you know I'm gonna sing, sing
With the angels above
I'm gonna talk, talk
To the ones that I love
I'm gonna tell Him
About my troubles
After awhile, after awhileOh well, I'm gonna march, march
Down the streets of pure gold
I'm gonna talk, talk
To the prophets of old
And I'll be happy up in Glory
]After awhile, after awhileOh well, I'm gonna march, march
Down the streets of pure gold
I'm gonna talk, talk
To the prophets of old
And I'll be happy up in Glory
After awhile, after awhile
