Saving My Face

Kt Tunstall

See the look on my face
From staying too long in one place
But every time I try to leave
I find I keep on stalling
Feel like a big old stone
Standing by a strength of my own
But every time the morning breaks
I know I'm closer to falling
I'm all out of love, all out of faith
I would give everything just for a taste
But every thing's here, all out of place
Losing my memory, saving my face
Saving my face, saving my face
Saving my face
I?m listening to what you say
Even though I look the other way
But you could never understand
The feeling of what I'm leaving
I'm all out of love, all out of faith
I would give everything just for a taste
But every thing's here, all out of place
Losing my memory, saving my face
Saving my face
Leave it all to me, I will do the right thing
Baby, I'll be everything I need
Leave it all to me, I will do the right thing
Baby, I'll be everything I need
Leave it all to me, I will do the right thing
Do the right thing
I'm all out of love, all out of faith
I would give everything just for a taste
But every thing's here, all out of place
Losing my memory, I'm losing the best of me
I'm all out of love, all out of faith
And I would give everything just for a taste
But every thing's here, all out of place
Losing my memory, saving my face
Saving my face, saving my face
Saving my face, saving my face

I'm all out of love, all out of faith
And I would give everything just for a taste
But every thing's here, all out of place
Losing my memory, saving my face
