Only One

Joan Armatrading

I wanna be just where you are
I wanna take you
So far away with meI wanna be your only one
I wanna be the one
You run to when you're downI wanna be the one you love
I wanna be the only one
You want aroundMake me feel good
Make me feel fine
Beautiful eyes
Promise of paradiseMake me feel good
Make me feel fine
Beautiful eyes
Promise of paradiseI wanna be just where you are
I wanna take you
So far away with meI wanna be your only one
I wanna be the one
You run to when you're downI wanna be the one you love
I wanna be the only one
You want around
