

# Only One

**Joan Armatrading**

I wanna be just where you are  
I wanna take you  
So far away with meI wanna be your only one  
I wanna be the one  
You run to when you're downI wanna be the one you love  
I wanna be the only one  
You want aroundMake me feel good  
Make me feel fine  
Beautiful eyes  
Promise of paradiseMake me feel good  
Make me feel fine  
Beautiful eyes  
Promise of paradiseI wanna be just where you are  
I wanna take you  
So far away with meI wanna be your only one  
I wanna be the one  
You run to when you're downI wanna be the one you love  
I wanna be the only one  
You want around
