Those Dancing Days

I know that you're hiding things
Using gentle words to shelter me
 Your words were like a dream
 But dreams could never fool me
Not that easily I acted so distant then
 Didn't say goodbye before you left
 But I was listening
 You'll fight your battles far from me
 Far too easily "Save your tears 'cause I'll come back"
I could hear that you whispered as you walked through that door
 But still I swore to hide the pain when I turn back the pages
 Shouting might have been the answer
 What if I'd cried my eyes out and begged you not to depart?
But now I'm not afraid to say what's in my heart
 Though a thousand words
 Have never been spoken
 They'll fly to you
 Crossing over the time and distance holding you
 Suspended on silver wings
 And a thousand words
 One thousand confessions
 Will cradle you
 Making all of the pain you feel seem far away
 They'll hold you forever
 The dream isn't over yet
 Though I often say I can forget
 I still relive that day
 You've been there with me all the way
 I still hear you say "Wait for me, I'll write you letters"
 I could see how you stammered with your eyes to the floor
 But still I swore to hide the doubt when I turn back the pages
 Anger might have been the answer
 What if I'd hung my head and said that I couldn't wait?
But now I'm strong enough to know it's not too late
 'Cause a thousand words
 Call out through the ages
 They'll fly to you
 Even though I can't see, I know they're reaching you
 Suspended on silver wings
 Oh, a thousand words
 One thousand embraces
 Will cradle you
 Making all of your weary days seem far away
 They'll hold you forever
 Oh, a thousand words

Have never been spoken
They'll fly to you
They'll carry you home and back into my arms
Suspended on silver wings ohhhhAnd a thousand words
Call out through the ages
They'll cradle you
Turning all of the lonely years to only days
They'll hold you forever
Ohhhhhhhhhhhhhhhhhhhhhhhhhhh
