

# Go to Sleep

**Morton Valence**

Close you're eyes  
and go to sleep  
soon it will be raining dreams  
raid the stars  
bring one back for me  
and one for the night lark in the tree  
cause the nightbird sings the sweetest song  
hush now  
fly on home  
lie down under the sea  
close your eyes  
go to sleep  
goodnight  
close your eyes  
go to sleep

---
