

# Got Soul

Valerie June

I could sing you  
A country tune  
And carry the name  
Sweet Valerie June But I got soul  
I got sweet soul  
Soul Well, I could play you  
Play you the blues  
To help carry the load  
While you're paying your dues But I got soul  
I got sweet soul  
Soul Yeah, I got soul  
Yeah, I got soul  
Yeah, I got sweet soul  
Soul You've been often  
Misunderstood  
You been tossed and tangled  
In search of what's good Follow your soul  
Sweet soul  
Soul Yeah, I got soul  
Yeah, I got soul  
Yeah, I got sweet soul  
Soul Yeah, I got soul  
Yeah, I got soul  
Yeah, I got sweet soul  
Soul Yeah, I got soul  
Yeah, I got soul  
Yeah, I got sweet soul  
Soul
