## Gloria Swanson

After a life in the casino
we know that gambling is a joke
to say i'm not here for the money
is just another word for brokeone room for us
one room for both of us
one room for us
is not availablethere's something wrong
there's something wrong
there's something wrong
you don't tell me
there's something wrong
there's something wrong
with mesee the dice roll into nothing
see the dice roll just like me
when the stars fall of the ceiling
they rolling to the seaone room for us
one room for both of us
one room for us
is not availablethere's something wrong
there's something wrong
there's something wrongthere's something wrong
there's something wrong
with methere's something wrong
there's something wrong
there's something wrongthere's something wrong
there's something wrong
with methere's something wrong
there's something wrong
there's something wrong
don't tell methere's something wrong
with meone room for us
one room for both of us
one room for us
is not availible
