Patience (Mike Rizzo Funk Generation Radio Mix)

Nick Lachey

Just have a little patience
I'm still hurting from a love I lost
I'm feeling your frustration
Any minute all the pain will stopJust hold me close inside your arms tonight
Don't be too hard on my emotions'Cause I need time
My heart is numb, has no feeling
So while I'm still healing
Just try and have a little patienceI really wanna start over again
I know you wanna be my salvation
The one that I can always dependI'll try to be strong
Believe me I'm trying to move on
It's complicated but understand me'Cause I need time
My heart is numb, has no feeling
So while I'm still healing
Just try and have a little patience
Have a little patience'Cause these scars run so deep
It's been hard but I have to believe
Let me have a little patience,
Can't you have a little patience?'Cause I, I just need time
My heart is numb, has no feeling
So while I'm still healing
Just try and have a little patience
Just have a little patienceMy heart is numb, has no feeling
So while I'm still healing
Just try and have a little patience
