

Baa! We're Lambs (Parody of "Barbara Ann")

ApologetiX

Baa Baa Baa Baa Baa we're lambs
Baa Baa Baa Baa Baa Baa
I'm a lamb- in God's hand- I'm a lamb
He's got a flock of lambs who know him
Robbers can not steal `em from his hand
Baa Baa Baa Baa We're Lambs
We went through the fence, looking for some friends
God saw me scam so He brought me back again
Cause I'm a lamb in God's hand
You got to follow where He's goin'
God'll take you to the Promised Land

CHORUS

Tried many moves- Tried getting loose
Tried petting zoos but knew they wouldn't do
Cause I'm a lamb in God's hand
You got to follow where He's goin'
God'll take you to the Promised Land

Baa Baa Baa Baa we're lambs

CHORUS

Baa! We're lambs, Baa! We're lambs, Baa! We're lambs...
