

Just a Dream

Big Bill Broonzy

It was a dream, Lord, what a dream I had on my mind!

It was a dream, Lord, what a dream I had on my mind!

Now, and when I woke up, baby, not a thing there could I find

Now, and when I woke up, baby, not a thing there could I find
I dreamed I went out with an angel, and had a
good time

I dreamed I was satisfied, and nothin' to worry my mind

But that was just a dream, Lord, what a dream I had on my mind!

Now, and when I woke up, baby, not an angel could I find
I dreamed I played policy, and played the horses too

I dreamed I win so much money, I didn't know what to do

But that was just a dream, Lord, what a dream I had on my mind!

Now, and when I woke up, baby, not a penny there could I find
I dreamed I was in the White House, sittin' in the
President's chair

I dreamed he's shaking my hand, and he said, "Bill, I'm so glad you're here"

But that was just a dream, Lord, what a dream I had on my mind!

Now, and when I woke up, baby, not a chair there could I find
