I Don't Mind

Defeater

Let's talk about the old days,
Let's talk about your friends,
Let's talk about the summer
And how you wish it wouldn't end.

Did I forget to tell you,
How pretty you looked in that dress?
In the first time that I saw you,
You cleaned the mess from my head.

And I don't mind,
If we take our time.
No,
I don't mind.

Lets go walkin' on the boardwalk,
Dip our feet into the sea.
Lets find ourselves lost for hours,
Until we find ourselves a drink.

Lets talk that sun into setting,
Just need the sound of your voice.
Need that calming and the comfort,
Something to drown out the noise.

And I don't mind,
If we take our time,
'Cause I'm all yours
If you're all mine.

Something I've been meanin' to tell you,
About three years and a day.
I'd very much like to get married,
Maybe have kids and move away,

'Cause there ain't nothing like your smile,
Your legs and those eyes.
I will beg and steal and borrow
To keep you safe your whole life.

And I don't mind,
If we take our time,
'Cause I'm all yours
If you're all mine.
