

# Hold Your Head Up

## Argent

And if it's bad  
Don't let it get you down, you can take it  
And if it hurts  
Don't let them see you cry, you can take it Hold your head up, hold your head up  
Hold your head up, hold your head high And if they stare  
Just let them burn their eyes on you moving  
And if they shout  
Don't let them change a thing what you're doing Hold your head up, hold your head up  
Hold your head up, hold your head high
