

# What You've Done To Me

## NEEDTOBREATHE

I'm finally broken, falling too far  
Burned up in pieces from chasing your stars  
With twilight approaching all that I've seen  
I could never get over what you've done to me  
She was the picture of a Midwest sweetheart  
Wrapped in a grace to make a good man come apart  
She wrote my siren's song a tune with one dance  
Then gave it words with just a glance  
I'm finally broken, falling too far  
Burned up in pieces from chasing your stars  
With twilight approaching all that I've seen  
I could never get over what you've done to me  
I thought that love was just a song we made up  
Some kind of chant to make us strong  
But when she left me with a word  
I knew that I had never been so wrong  
Finally broken, falling too far  
Burned up in pieces from chasing your stars  
With twilight approaching all that I've seen  
I could never get over what you've done to me  
I'm finally broken, falling too far  
Burned up in pieces from chasing your stars  
With twilight approaching all that I've seen  
I could never get over what you've done to me
