

# Feel Berlin

## The 69 Eyes

Do you like concrete agony Kreuzberg on Saturday?  
Tell me baby what you need  
There's the Zoo alive as the city sleeps tonight  
Eternal divided dream  
Going down to Potsdamer singing  
Checkpoint Charlie blues  
The 70's brought Bowie baby  
Do what you do  
You gotta feel Berlin  
Baby, yeah  
You gotta feel Berlin  
Baby, yeah  
You gotta feel Berlin  
Do you like punk rock, mutiny, rock 'n' roll depravity?  
Tell me baby, what you need?  
Boys keep swinging wild at heart until the morning  
Let this city baby set you free  
Going down to Potsdamer singing  
Checkpoint Charlie blues  
The 70's brought Bowie baby  
Do what you do  
You gotta feel Berlin  
Baby, yeah  
You gotta feel Berlin  
Baby, yeah  
Just life that's what it is  
Don't be afraid of an angel's kiss  
Just life that's what it is  
Don't be afraid of a criminal kiss  
You got to feel Berlin  
Going down to Potsdamer singing  
Checkpoint Charlie blues  
The 70's brought Bowie baby  
Do what you do  
You got to feel Berlin  
Baby  
You got to feel Berlin  
Yeah  
Just life that's what it is

Don't be afraid of an angel's kiss  
Just life that's what it is  
Don't be afraid of  
You got to feel Berlin  
Just life baby, yeah  
You got to do what you feel  
Baby, yeah  
You gotta feel Berlin  
Baby  
Don't be afraid of a  
You got to, got to, got to  
You got to do what you feel  
Baby  
You got to do what you do  
You got to feel  
You got to, got to feel  
Do what you do  
Do what you do  
You got to feel Berlin
