

You Could Break A Heart Like That

Joel Crouse

So you felt a little restless,
You got a little reckless,
You had your fun all over town.
I don't know what you think you're provin',
Everything you're doin',
It's a rumor that's been goin' around.
I wanna believe
You're not that way
So I'm tellin' you before it's too late, Baby, you,
You can break a heart like that.
Yeah, it's true,
Some things you just can't take back.
And you can't undo the damage
To the one you love
Sometimes sorry just ain't enough Baby you,
You can break a heart like that So maybe you've been careless
This time oughta fail us
I trust you'd never hurt a friend.
Don't wanna be down on your knees
And pickin' up the pieces
Of somethin' that's not meant to bend.
When the bleedin' starts,
There's no stoppin' the pain,
And that blood won't go back into the veins. Baby, you,
You can break a heart like that.
Yeah, it's true,
Somethin' you just can't take back.
And you can't undo the damage
To the one you love
Sometimes sorry just ain't enough. Baby you,
You can break a heart like that. You're gonna find out what you lost
When you find yourself alone,
Then you'll know the cost
'Cause it's gonna be your own You,
You can break a heart like that.
Yeah, it's true,
Some things you just can't take back. Baby, you,
You can break a heart like that.
Yeah, it's true,

Some things you just can't take back.
And you can't undo the damage
To the one you love
Sometimes sorry just ain't enough. Baby you,
You can break a heart like that Baby you,
You can break a heart like that
