Achilles Las Stand

Led Zeppelin

ACHILLES LAST STAND

It was an April morning
When they told us we should go
An' as I turn to you, you smiled at me
How could they say no
Whoa, the fun to have
To live the dreams we always had
Whoa, the songs to sing
When we at last return again

Swept New York a glancing kiss
To those who claim they know
To know the shrieks the seaman hears
The devil is in his home
Oh, to sail away
To sandy lands and other days
Oh, to touch the dream
That hides inside and is never seen, yeah

Into the sun, the south the north
Flys the birds of gold
The shackles of commitments fell
In pieces on the ground
Oh, to ride the wind
To tread the air above the din
Whoa, to laugh aloud
Dancing as we fought the crowd, yeah

To seek the man whose pointing hand
The giant step unfolds
With guidance from the curving path
That churns up into stone
If one bell should ring
In celebration for a king
So fast the heart should beat
As proud the head with heavy feet, yeah

(Guitar Solo)

Days went by when you and I
Made an eternal summers glow
As far away and distant
Our mutual time to grow
Oh the sweet refrain
Soothes the soul and calms the pain
Oh Albion remains Sleeping now to rise again

Wandering upon the rings
What place to rest the search
With the mighty arms of Atlas
Hold the heavens from the earth

The mighty arms of Atlas
Hold the heavens from the earth
From the earth
Whoaaaaaaaaaaa

I know the way, know the way, know the way, know the way
I know the way, know the way, know the way, know the way

Ohhhhh, ohhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhhhhhhhhhh, ahhhhhhhhhhhhh
Ohhhhhhhhhhhh, ohhhhhhhhhhhhh
Ohhhhhhhhhhhh, ohhhhhhhhhhhhh
Ohhhhhhhhhhhh, ohhhhhhhhhhhhh

Oh the mighty arms of Atlas
Hold the heavens from the earth

Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Ahhhh, ahhhhh, ahhhhh, ahhhhh
Oooooooooohh
