

# In The Air (Mord Fustang Remix)

[Morgan Page](#)

Here you are, and the feeling feels good  
Don't know if you know it but I think you should  
Tell me it's alright  
Tell me we can make this thing tonight Feeling a change I'm feeling it, feeling it  
I'm feeling a change  
I'm feeling it, feeling it in the air Can you feel this heart beating in time?  
Wishing it was yours but it's gotta be mine  
Couldn't believe everything I felt  
You walked in, you saw me just melt, oh, oh, oh I'm feeling it, feeling it  
I'm feeling a change  
I'm feeling it, feeling it in the air To look the other way, to get what you want  
Throw out your troubles, find your song  
'Cause there's a change, change in the air To look the other way, to get what you want  
Throw out your troubles, find your song  
'Cause there's a change, change in the air Give every bit to have you here  
Give every moment to see your tear  
Give everything I've got from now to my last breath I'm feeling it  
I'm feeling a change  
I'm feeling it, feeling it in the air Just one more minute here with you  
All I'd give to have this come true  
Can you feel it too? Can you feel this heart beating in time?  
Wishing it was yours but it's gotta be mine  
Couldn't believe everything I felt  
You walked in, you saw me just melt, oh, oh, oh I'm feeling it, feeling it  
I'm feeling a change  
I'm feeling it, feeling it in the air To look the other way, to get what you want  
Throw out your troubles, find your song  
'Cause there's a change, change in the air To look the other way, to get what you want  
Throw out your troubles, find your song  
'Cause there's a change, change in the air, in the air 'Cause there's a change, change in the air, in the air
