Girl Next Door

Saving Jane

Small town homecoming queen, she's a star in this scene

There's no way to deny she's lovely

Perfect skin, perfect hair, perfumed hearts everywhere

Tell myself that inside she's uglyMaybe I'm just jealous, I can't help but hate her Secretly I wonder if my boyfriend wants to date herShe is the prom queen, I'm in the marching band She is a cheerleader, I'm sitting in the stands

She gets the top bunk and I'm sleeping on the floor

She's Miss America

And I'm just the girl next doorSenior class president, she must be heaven sent

She was never the last one standing

A backseat debutante, everything that you want

Never too harsh or too demandingMaybe I'll admit it, I'm a little bitter

Everybody loves her but I just wanna hit herShe is the prom queen, I'm in the marching band

She is a cheerleader, I'm sitting in the stands

She gets the top bunk, I'm sleeping on the floor

She's Miss America

And I'm just the girl next door

Oh I'm just the girl next doorI don't know why I'm feeling sorry for myself
I spend all my time wishing that I was someone elseShe is the prom queen, I'm in the marching band
She is a cheerleader, I'm sitting in the standsI get a little bit, she gets a little more

She's Miss America, yeah, she's Miss America

And I'm just the girl next doorI'm just the girl, oh I'm just the girl next door

I'm just the girl next door

I'm just the girl next door

She is the prom queen and I'm just the girl next door
