

# I Am the Cosmos

Pete Yorn & Scarlett Johansson

(Bell)

Every night I tell myself  
I am the cosmos, I am the wind  
But that don't get you back again  
Just when I was starting to feel ok  
You're on the phone  
I never wanna be alone  
Never wanna be alone  
Hate to have to take you home  
Wanted too much to say "no, no"  
My feelings always have been something  
I couldn't hide, I can't confide  
Don't know what's going on inside  
I'd really like to see you again  
Really wanna see you again  
Never wanna see you again  
Really wanna see you again
