

Memories Of Tomorrow

Slayer

By suicidal tendencies trident missiles in the air
My missiles underground, protect us till we're dead Memories of tomorrow
Crying sorrow Push the button kiss good bye the nuclear arsenal
A bomber flying off their ramps, nuclear bombs explode Radio active people, search for medicine
Pray for shelter, kill for food Memories of tomorrow
Crying sorrow Mass starvation, contaminated water
Destroyed cities, mutilated bodies Memories of tomorrow
Crying sorrow I'll kill myself I'd rather die
If you could see in the future you'd know why Memories of tomorrow
