In the club off candy bars

You a fan of me?

I'm a fan of you ( fan of you)

Celebrate bitch woopdy doo

Im on the ocean and im potent

I got pocket full of golden tokens

Quit wishin and hopin

Grab that ship by the wheel, goin in

Timbol in your backyard

Got the girls for you, got me ever hard

And I party party real hard

Love when they start to give a shit all

And you say you don't do shit

And you love when the bass hit

And you love when the bass hit

Boom boom boom, chicky chicky

you like the way i work it (work it)  
push up on it but don't hurt it (hurt it)

push up on it but don't hurt it (hurt it)

Be cool, be easy

Baby just don't tease me

Be cool, be easy

Just please me

Be cool, be easy

Baby just don't tease me

Be cool, be easy

Just please me

Sippin? on sippin? on sippin? on vino

E?rybody get more drunk kilo

What they call that?  
C note  
Let's spend that, on a d-low  
Hit the mall, nah  
Let's find a cliff we can jump off  
You afraid of heights  
Let me know we can take that flight  
Baby like a kitty cat

All proud, tight line  
Where your hips at?  
I know you can come  
Built like that  
This the underground world  
Dev to my right, im right here  
They love it when we drop that  
Boom boom boom,  
Give it to 'em now  
you like the way i work it (work it)  
push up on it but don't hurt it (hurt it)  
you like the way i work it (work it)  
push up on it but don't hurt it (hurt it)

Be cool, be easy  
Baby just don't tease me  
Be cool, be easy  
Just please me  
Be cool, be easy  
Baby just don't tease me  
Be cool, be easy  
Just please me  
Don't don't hurt it, don't don't don't hurt it  
If you want to serve it  
You have got to work it baby  
Don't don't hurt it, don't don't don't hurt it  
If you want to serve it  
You have got to work it baby  
Be cool, be easy  
Baby just don't tease me
