

# More To This

## Third Day

People get ready  
For something like you've never seen  
Open up your eyes  
Open up your heart  
Open up your arms  
And let the Spirit of the Savior set you free  
Ooh, yeah, you ain't seen nothing yet  
Well, all the rumors are true  
I don't know about you  
But I know, there's more to this  
People, here it is  
Just what we've all been waitin' for  
Open up your eyes  
Open up your heart  
Open up your arms  
Let the Spirit of the Savior set you free  
Ooh, yeah, you ain't seen nothing yet  
Well, all the rumors are true  
I don't know about you  
But I know, there's more to this  
Oh no, oh no, it doesn't all end here  
Don't think this is the end  
I will tell you again  
That I know, there's more to this  
There's more to life  
Than being born and dying  
There's more to life  
Than slowly growing old  
If we are wise  
We'll keep our eyes on Jesus  
Or miss out on the very thing that  
God has made us for  
Ooh, yeah yeah, you ain't seen nothing yet  
All the rumors are true  
I don't know about you  
But I know, there's more to this  
Oh no, oh oh, it doesn't all end here  
I don't think this is the end  
I will tell you again

That I know, there's more to this, there's more to this
