Does Anyone Know

Ariah Firefly

Is this world out of control
Say what is right what is wrong
Do I know this world at all
I think I do but then I don'tI'm confused by what I see, I try to understand
But it makes no sense at all
I'm confused by what I feel, I thought that our love
Was something that is realDoes anyone know the truth we're looking for
Can't find it anymore
Does anyone know how to make me feel
For something that is realSo many things that I recall
When we were young just flying high
Can we turn our fate at all
I wish we could say, don't you cryI'm confused by what I hear, girl, it seems to me
We're losing after all
I'm confused by what I feel, I thought that our love
Was something that is realDoes anyone know the truth we're looking for
Can't find it anymore
Does anyone know how to make me feel
For something that is realAnother day has just begun
Life goes on, there's no return
How can I trust anyone
When honesty is such a dirty wordDoes anyone know the truth we're looking for
Can't find it anymore
Does anyone know how to make me feel
For something that is realDoes anyone know the truth we're looking for
Can't find it anymore
Does anyone know how to make me feel
For something that is real
