Sympathy Kiss

Brutal Truth

prey, right now
principally, i'd follow
if i could fly, i'd fly away
bullshit time confine today
reason? logic? nothing really
new passes my way
be strong, wear sympathy
sympathy cares not,
nor wants noti cannot shed your tearsif i could fly, i'd fly away
bullshit time confine today
reason? logic? nothing really
new passes my way
be strong, wear sympathy
sympathy cares not,
nor wants noti cannot shed your tearswas out you pain,
wipe out your mind
wipe out your mindescape systems,
breakdown, delude
social farce in your
magic kingdombe strong, wear sympathy
sympathy cares not,
nor wants not
