Real Love

The Twilight Singers

We are lovers through and through
And we made it through the storm
I really want you to realize
I really want to turn you onIve been searching for someone
To satisfy my every need
Wont you be my inspiration?
Be the real love that I need, yeahReal love
Im searching for a real love
Someone to set my heart free
Real love
Im searching for a real loveNow when I met you I just knew
That youd take my heart and run
Till you told me how you felt for me
Said Im not the oneSo I slowly came to see
All the things you were made of
And now I hope my dreams and inspirations
Lead me to find some real loveReal love
Im searching for a real love
Someone to set my heart free
Real love
Im searching for a real loveA love so true, oh baby
I thought your love was true
I thought you were the answer
To the questions in my mind
Now it seems that I was wrong
If I stay strong maybe I'll find myReal love
Im searching for my real love
Someone to set my heart free
Real love
Im searching for my real loveSo I try my best to pray to God
To send me someone real
To caress me and to guide me
To know that I can feelNow I know I can be faithful
I can be your arm in arm
Ill give you good love in the summer time
Winter, spring and fallYou'll have real love
Im searching for my real love
Someone to set my heart free
Real love

Im searching for my real loveReal love
Im searching for my real love
Someone to set my heart free
Real love
Im searching for my real loveIt's real love
It's real love
It's real love
