Choke

Sepultura

Pray for another life
Pay, regain your prideSee your brain
(Choke, choke, choke)
Watch it drain

(Choke, choke, choke)

See your greed

(Choke, choke, choke)

Watch it breed

(Choke, choke, choke)Fake, you're falling down Choke, your neck is brokenSee your brain

(Choke, choke, choke)

Watch it drain

(Choke, choke, choke)

See your greed

(Choke, choke, choke)

Watch it breed

(Choke, choke, choke)Oh, victim in conflict, the ambush of fear My doubts, my limits, the pulse of my warSee your brain

(Choke, choke, choke)

Watch it drain

(Choke, choke, choke)

See your greed watch it breed

(Choke, choke)
