

We're Dancing

Mandy Moore

When the going starts to get rough
And u feel like you've had enough
Let the music take control of your soul
Take a chance and do what you feel
You're a force, they cannot live without it
You gotta break the chain Yeah There's a passion inside
An inner strength that drives
Can't nobody take that away from you
It's the greatest life
Set the floor on fire
When you come alive And we're dancing
And it feels alright
I cant control my desire
And we're dancing
And it feels alright Yeah
And we're dancing
And it feels alright
Cant hold me down
About to reach for the sky
And we're dancing
And it feels alright Yeah Some people don't know the love you possess
They pretend but they don't understand
It's natural your in a world of your own There's a passion inside
And a strength that drives
Can't nobody take that away from you
It's the greatest high
You set the floor on fire
When you come alive And we're dancing
And it feels alright
I cant control my desire
And we're dancing
And it feels alright Yeah Yeah Yeah Push it to the max
Feel the room fall at your feet
Don't u dare hold back
Cause it feels so good can't stop There's a passion inside
And a strength that drives
Can nobody take that away from you
It's the greatest life
Set the floor on fire

When you come alive And we're dancing
And it feels alright
I can't control my desire
And we're dancing
And it feels alright Yeah
And we're dancing
And it feels alright
Can't hold me down
Got to reach for the sky
And we're dancing
And it feels alright Yeah Yeah Yeah
And we're dancing
