Frozen in Time

Adam Green

Frozin in time forever
Carrying that torch for so long
Can you hear my heart believing
Frozen in the index of timeThey singled out my tongue
In front of everyone
Who was watching my show
They say that I'm no goodI'm sorry that I could
Be that way to you
Dusting off the roman dollar
Searching for some work on the sideI'm just closer to death then ever
Frozen in the index of time
They just don't have the minds
To pay me for my crimesThat they made me do
They don't care how it feels
To them this isn't real
In my magical wombFrozin in time forever
Carrying that torch for so long
Can you hear my heart believing
Frozen in the index of timeBaby
