

# Still Loving You

## Scorpions & Berliner Philharmoniker

Time, it needs time to win back your love again  
I will be there, I will be there  
Love, only love can bring back your love someday  
I will be there, I will be there Fight, babe, I'll fight to win back your love again  
I will be there, I will be there  
Love, only love can bring down the wall someday  
I will be there, I will be there If we go again all the way from the start  
I would try to change the things that killed our love  
Your pride has built a wall, so strong that I can't get through  
Is there really no chance to start once again? I'm loving you Try, baby, try to trust in my love again  
I will be there, I will be there  
Love, our love just shouldn't be thrown away  
I will be there, I will be there If we'd go again, all the way from the start  
I would try to change the things that killed our love  
Your pride has built a wall, so strong that I can't get through  
Is there really no chance to start once again? If we'd go again, all the way from the start  
I would try to change the things that killed our love  
Yes, I've hurt your pride, and I know what you've been through  
You should give me a chance, this can't be the end I'm still loving you  
I'm still loving you  
I'm still loving you  
I need your love  
I'm still loving you  
Still loving you, baby Still loving you  
I need your love  
I'm still loving you  
I need your love I'm still loving you  
I need your love  
I need your love
