

# Forgiven

## Sanctus Real

Well the past is playing with my head  
And failure knocks me down again  
Im reminded of the wrong  
That I have said and done  
And that devil just wont let me forgetIn this life  
I know what Ive been  
But here in your arms  
I know what I amIm forgiven  
Im forgiven  
And I dont have to carry  
The weight of who Ive been  
Cause Im forgivenMy mistakes are running through my mind  
And Ill relive my days, in the middle of the night  
When I struggle with my pain, and I wrestle with my pride  
Sometimes I feel alone, and I cry[chorus]When I don't think and I dont feel like I belong anywhere  
When I dont measure up to much in this life  
Oh, Im a treasure in the arms of Christ cause[back to chorus]
