

# Till the Ends Meet

Loggins & Messina

It's not the way that you say adieu  
That leaves behind you a smilin' fool  
It's that I know you're a song come true, baby I love you  
And I'll follow you till the ends meet, oh yeahAnd it's the way that you touch my hand  
    Lets me know you will understand  
    'Cause I've been feelin' it in the land, baby, I'm near you  
And I'll follow you till I'm six deep, oh yeahIt's not the way that you say adieu  
    That leaves behind you a smilin' fool  
    It's that I know you're a song come true, baby, I love you  
And I'll follow you till the ends meet, oh yeahTill the ends meet
