

# Only At Christmas Time

[Sufjan Stevens](#)

Only to bring you peace, only at Christmas time  
Only the King of kings, only what once was mine  
It takes the end of time, it takes a long, long time  
Only one thought of mine, only at Christmas time  
He brings us peace, He brings us joy  
He brings all faults to destroy, only at Christmas time  
To bring us peace, to bring us joy  
To bring all faults to destroy, only at Christmas time  
Only at Christmas time, only a tree to climb  
Only at Christmas time, if you can read the sign  
Only at Christmas time, everything lost will find  
Only at Christmas time, only at Christmas time
