

# With You(vo:Kimberley Dahme)

## Boston

My true love has come to call  
The type of man I thought was dead and gone  
And said, Sparrow, it's you I've come to see  
'Cause with you is where I want to be Oh, with you, with you  
You take me higher  
With you, with you  
The waters parted the sea  
With you, the stars shine much brighter  
Fallin' into you, with you, with me There's no way I'd ever resist  
Or push away from your tender kiss  
I give you my heart for the world to see  
'Cause me with you, well it's destiny Oh, with you, with you  
You take me higher  
With you, with you  
The waters parted the sea  
With you, the stars shine much brighter  
Fallin' into you, with you, with me
