## Sam

## **Olivia Newton-John**

I heard that you're on your own now So am I, I'm living alone now I was wrong, so were you, what will you do? Are you glad to be free? Are you feeling lost just like me? Longing for companyOh Sam, Sam, you know where I am Come around and talk a while I need your smile, you need a shoulder Oh Sam, Sam, you know where I am And the door is open wide Come on inside longing to see you Oh Sam, Sam, you know where I amI find the days hard to face now Empty rooms, there's much too much space now And the nights go so slow I'm sure you know Wish I knew what to do, it would be so nice seeing you And it might help you tooOh Sam, Sam, you know where I am Come around and talk a while I need your smile, you need a shoulder Oh Sam, Sam, you know where I am And the door is open wide Come on inside longing to see you Oh Sam, Sam, you know where I am Oh Sam, you know where I am Oh Sam, ooh Sam You know, you know, you know where I am
