

More Than Money

Love Spit Love

I know what heaven knows
I know where money goes, I know
I know you talk with lies
I see my name wrote in your eyes, I know And love, love, love
Will open your eyes and sing
And love, love, love
Will open your eyes and sing I know what's dead is done
I see my name wrote
On your tongue, I know And love, love, love
Will open your eyes and sing
And love, love, love
Will open your eyes and sing Hope you have a good day
Have a nice life
Wake up in the right place
Mary make a good wife Hope you feel good
Hope you find a good friend
Hope you wake up in a bad dream
Look at all the time spent And love, love, love
Will open your eyes and sing
And love, love, love
Will give you wings And love, love, love
Will open your eyes and sing
And love, love, love
Will give you wings I wanted more than money
I wanted more than this
I wanted more than money
More than money, more than this I wanted more than money
I wanted more than this
I wanted more than money
More than money, more than this
I wanted more than money
