Groveley Road

Saint Etienne

George, he called to say that he'd be late
There's something on the TV around eightIf you could see me and if you could see me, ooh
And if you could see me, oohTalk to you at night when you're asleep
I say, I deserve better than thisIf you could see me and if you could see me, ooh
And if you could see me, oohSpring-time came, George didn't care at all
No-one's broke my heart like this beforeIf you could see me and if you could see me, ooh
And if you could see me, oohIt's spring-time
