## Saint Etienne

George, he called to say that he'd be late  
There's something on the TV around eight  
If you could see me and if you could see me, ooh  
And if you could see me, ooh  
Talk to you at night when you're asleep  
I say, I deserve better than this  
If you could see me and if you could see me, ooh  
And if you could see me, ooh  
Spring-time came, George didn't care at all  
No-one's broke my heart like this before  
If you could see me and if you could see me, ooh  
And if you could see me, ooh  
It's spring-time
