

Shadows

Petite Noir

Only you
You're such a feeling
Me and you
Will fight to the very end
I'll be here forever
Baby tell me more
We will be together
Every day for sure
If you wanna hold me
I'll be for sure
Baby don't you tell me
'Cause you know you really want me 'cause
I'll be here forever
Baby tell me more
Tell me if you want me
I'll be there for sure
I'll be down forever, always on the tour
If you really want me, just tell me if you love me
Don't fall, don't
Into my shadows
Don't you really wanna fall, don't
Into my shadows
Only you
With such great feelings
Me, I'm true
Don't be so deceiving
I'll be here forever
Please don't tell me more
You'll be forever
I'll be there for sure
Down to be the witness
Baby I'm the call
Run along and I'll tell what you wanna see
If you wanna holler, baby give me more
I'll be here forever, always on tour
If you wanna holler, never mind the shore
If you really want me, just tell me if you love me
Don't fall, don't
Into my shadows

Don't you really wanna fall, don't

Into my shadows

Don't you really wanna fall, don't

Into my shadows

Uh uh uh uh uh
