Tease

Luzer

Ahh, yea
Yo, 'sup girl what you gonna do?
I mean are we gonna do it or what?
You keep trippin', you keep slippin'
Acting like, you wanna get with it
But you won't get with it
So get with it
Now, ahh let's go
How do you get your jeans so low and
Hanging on your hips? oh no you
Walking by me nice and slow you
Acting like you just don't know that
I've been watching all the time you
Bending over blowing minds you be
Dancing on me tryin' to grind but you
Don't be giving up your time
Shorty what's up?
I'm just saying
Wanna hook up?
I ain't playing
What are you gonna do?
I'm just waiting
Think I'm acting up, hey
She could claim and she play games
But I bet she couldn't hang not with me
She's a tease
She be acting like she don't
But I know she really won't get with me
She's a tease
You be always sitting on my lap
And, girl you can't be doing that
If, you don't wanna get with me
Then you, might as well forget the tease
Calling me with all that talk and
Working on that sexy walk but if
You ain't tryin' get with me
Then you need to go leave it be
Shorty what's up?
I'm just saying

Wanna hook up?
I ain't playing
What are you gonna do?
I'm just waiting
Think I'm acting up, hey
She could claim and she play games
But I bet she couldn't hang not with me
She's a tease
She be acting like she don't
But I know she really won't get with me
She's a tease
Stop it please, you's a tease
How a girl like you gonna try to play me?
Start doing your thing like this ain't even me
Wasn't trippin' when I was spending dough in frankies
Forget about you girl you should do me
Just let me touch I'll even cut
Girl I promise planters ain't got nothing on my nuts
Mess with me you must have some kind of guts
I'm not your normal dude, I'm one you can trust
There's gotta be a offer that you can't refuse
I'm told enough girl there's no way I can lose
When I got straight A's up in the pimp school
Shorty what's up?
I'm just saying
Wanna hook up?
I ain't playing
What are you gonna do?
I'm just waiting
Think I'm acting up, hey
She could claim and she play games
But I bet she couldn't hang not with me
She's a tease
She be acting like she don't
But I know she really won't get with me
She's a tease
