

Just Keep On Going

[Martin Levac](#)

We said goodbye on a corner and then you turned and walked away
I never thought itâ€™d be so hard so I pretended to be ok
Well now Iâ€™ve found that all the words we said they are so meaningless today oh
And all the promises we might have made just disappeared along the wayâ€¦â€¦â€¦

So Iâ€™ll just keep on going living with the things Iâ€™ve said and done
Yes Iâ€™ll just keep on going and I know itâ€™s all for better now
So Iâ€™ll just keep on going as you disappear into the night
Yes Iâ€™ll just keep on going and I know Iâ€™ll never go back

We pushed ourselves too far anyway like we were out of our minds
Maybe too young to know a better way maybe too old to be waisting more time
You I loved you with my heart and soul and that I never meant to hurt you oh
But we donâ€™t love each other anymore so I must find my own way through

So Iâ€™ll just keep on going living with the things Iâ€™ve said and done
Yes Iâ€™ll just keep on going and I know itâ€™s all for better now
So Iâ€™ll just keep on going as you move your way out of my life
Yes Iâ€™ll just keep on going and I know Iâ€™ll never look back
