## Ankla

I, I'm feeling rot  
I'm feeling rotten today  
I guess I forgot  
I am shot, I'm not okay So long to pain  
So long to games  
So long say, goodbye Someone tell me why I'm feeling cold inside  
Do I wanna, do I wanna die  
Someone tell me why it's building up inside  
Do I wanna die and kiss it all goodbye I'm a sinking ship  
On a sea of bliss, I'm not okay  
I I'm blind to this  
Is this just a test to help me see So long to you  
So long to me  
So long say goodbye Someone tell me why I'm feeling broke inside  
Do I wanna, do I wanna die  
Can you tell me why it's building up inside  
Do I wanna die, kiss it all goodbye You're the reason I would live  
I hope that you can give me this You're the reason So long to pain  
So long to games  
So long say goodbye Can you tell me why I'm feeling dead  
Do I wanna, do I wanna die  
Someone tell why, it's building up inside  
Do I wanna die, kiss it all goodbye
