Red Hot Chili Peppers

Shiver for me, girl
Deliver for me, my darling
Pushing up to you
A river that runs right through you Swim for your smile in a blue rock quarry
Make it for me, baby, you won't be sorry
Shiver for me now
Deliver for me, my darling Miles and miles of nether worlds I roam
Settle for love, you're never far from home
Carry me down into the waters of
Carry me down into the water of love
Two of us were made of angel's dust
I've been around but not around enough Shadow my free form
A woman that I could keep warm
Quiver for me, girl
Give me your head and shoulders Shot from the pages of love and glory
Sleeping next to you and I'm in your story
Shadow my free form
A woman that I could keep warm Miles and miles of nether worlds I roam
Settle for love, I'm never far from home
Carry me down into the waters of
Carry me down into the water of love
Two of us were made of angel's dust
I've been around but not around enough Let's go, I know I'll make it for two
And if intuition's only what you take from it
I know, I'll make it for two
And if you were there and I was fortunate I know I'll make it for two
And if [Incomprehensible] a part of genie
And I would fall for you
I know I'll make it for two
I'll make it for two, I'll make it for two And shiver for me now
Deliver for me, my darling
A living that I could
Be giving to you, my sweet love Swim for your smile in a blue rock quarry
Make it for me, baby, you won't be sorry
Shot from the pages of love and glory
Sleeping next to you and I'm in your dream Settle for love
I settle for love
I settle for love
