

Showdown

Black Eyed Peas

Yeah, yeah, yeah,
Ya, ya, ya
This is how we do it, this is how we go
This is how we rock, this is how we roll,
This is how we do it, do it, do(d-do) it, do it, do it. It's goin' down now and not a tad bit later.
All around the world both sides of the equator
Terrorize the funk, call me poochie-al-cata
I verify that I got lots o' hoochies on data.
Governor of California black eyed peas the terminators
We the exterminators, invade you like the Raiders.
Ignore all the haters, inform all the ladies,
It's goin' down now and not a tad bit later.
And ten, nine, eight, seven-six-five-four, three, two, one, one
One(one), one(one), one(one), one(one), one(one)
You ready? you ready?
(huh)Get ready for the showdown,
Get ready for the showdown,
Yo it's about to go down
Yo it's about to go, go, down
In the building and I'm here to motivate you
Show you how we do it, do it, Apl's in the building
And I'm here to motivate you
Show you how we do it, do it
We still demonstrators
The phunk for your trunk
Take you high like elevators
Give you what you want
Courtesy Mr. ?
We breakin' down them barriers
Call us the penetrators
Electrify your area
Zzz-zap hey ya
Go ahead and hate us
It only makes us greater
It's going down now
And not a tab bit later In ten, nine, eight
Seven, six, five, four
Three, two, one
