Mysterious

Prefab Sprout

You roar right out of Nowheresville
To find the beating heart
Cryptic, ellusive, smart
Mysterious from the startThe gift of anonymity
Inventing your own past
Hobo jive on overdrive
Your energy is vastYou catch the world in images
To annotate the feast
Your quicksilver task remains
Mysterious at least
Rejecting others plans for you
Protest - I am miscast!
The mythic fog descends
Mysterious to the last
