Greatest Days

James Fortune

Now that it's over
You've made it through
You never gave up
At times I know you wanted to
The heartaches
And all the tears
Had a purpose
Preparing you for your destiny
Can't imagine
What He's gone do
It's something special
God designed it just for you
Get excited
The time is here
You've waited long enough

Receive it
It's yours now
God's favor
Over your life
I speak it
That the greatest days of your life
Are coming to you

The letter's here
And it's greater
He kept his promise
Because you've endured all the pain
Struggles over
Moving forward
Time to make room
For everything He said you can have
Your future's bright
I see you now
Walking in overflow
And there is so much to come
Get excited
The time is here

You've waited long enough

Receive it
It's yours now
God's favor
Over your life
I speak it
That the greatest days of your life
Are coming to you

Oh oh oh oh
Oh oh oh oh
Oh oh
Oh oh oh oh
Ooh ooh ooh ooh

God's favor
God's favor
Over your life
God's favor
I declare it and I decree

God's favor
God's favor
Over your life
God's favor
I declare it and I decree

The greatest days of your life
The greatest days of your life
The greatest days of your life
It's what you've been waiting for

God's favor
God's favor
Over your life
God's favor
I declare it and I decree

God's favor
God's favor
Over your life
God's favor
I declare it and I decree

The greatest days of your life

The greatest days of your life
The greatest days of your life
It's what you've been waiting for

The greatest days of your life
The greatest days of your life
The greatest days of your life
