

double

blackbear

Uh, sign it over
I could give you double, baby
Bend it over
I'ma hit it double, baby
Spend it all
I'ma make it back double
What's he doing for you? Nothing
Nothing but trouble, baby
Burning rubber
I got a brand new foreign
I don't drive it that much, I'm touring
Every time that I shoot, I'm scoring, baby
What's he mean to you?
What's he really mean to you?
I don't give a fuck, girl
Come and swoop you up, baby, yeah I could change your whole damn life in a day
Why would you wait on a train that's never coming, girl?
I could give you double, baby
Why would you wait? Why would you wait on a man that's never growing up? Yeah, I know you don't wanna
be that girl that's fucking what's his face
And what's that shit, I think I saw him in?
He ain't gonna rock with ya, talk with ya all the time, like I do
I could give you anything that you like, babe Seeing double
I been drinking double, baby
Seeing colors
Feel like I'm hallucinating
Doing numbers
Every show is sold out
Labels still calling
I started balling
We turn 'em all the fuck down
Turn on the hot tub
Skinny dipping, bubbles, baby
Set the mood right
I ain't really clubbing lately
Know you wrapped up
In the wrong relationship
You read each other's texts and shit
I'd rather read your body language I could change your whole damn life in a day

Why would you wait on a train that's never coming, girl?

(It's never coming, ooh, it's never coming, girl)

I could give you double, baby

Why would you wait?

Why would you wait on a man that's never growing up? I could change your whole damn life in a day

Why would you wait on a train that's never coming, girl?

I could give you double, baby

Why would you wait?

Why would you wait on a man that's never growing up? Yeah, I know you don't wanna be that girl that's
fucking what's his face

And what's that shit, I think I saw him with?

He ain't gonna rock with ya, talk with ya all the time, like I do

I could give you anything that you like, babe (that you like, babe) I could give you anything

Why would you wait? Why would you wait on a man who's never growing up?

I can give you anything

Why would you wait? Why would you wait on a man who's never growing up?
