

Hey Now (Girls Just Wanna Have Fun)

Cyndi Lauper

Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
(Yeah, yeah, yeah, yeah)
I come home in the morning light
My, my mother says when you gonna live your life right
Oh mommy dear, you're not the fortunate
Ones and girls, they wanna have fun
Woah, girls just wanna have fun
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
The phone rings in the middle of the night
My father yells whatcha gonna do with your life
Oh daddy dear, you know you're still number one
But girls they wanna have fun
Woah, girls they wanna have fun
That's all they really want
Some fun when the workin' day is done
You know girls they wanna have fun
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
(Yeah, yeah, yeah, yeah)
Single mint, double mint, triple mint gum
We're just three girls who wanna have some fun
If you party with us you're gonna be a while
You gotta roll like us Triple Image style
There ain't nothing gonna stop us or get it our way

We're gonna be on the top by the end of the day
'Cause we got the look and we got the groove
Triple Image gonna make you move
Some boys take a beautiful girl
And hide her away from the rest of the world
I wanna be the one to walk in the sun
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
(Yeah, yeah, yeah, yeah)
When the working day is done
You know girls they wanna have fun
Come on, come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
(Yeah, yeah, yeah, yeah)
And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have fun
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun now
Come on
Hey now, hey now
What's the matter with ya?
Girls just wanna have fun
